

INDEX MS32C

Kind : Cnc multispindle lathe

Manufacturer : INDEX

Model : MS32C

Year : 2002

Serial : 150202

Stock : 10335

TECHNICAL DETAILS

- | | |
|---|----------------------------------|
| - number of spindles | : 6 independent |
| - bar clearance | : 32 [mm] |
| - maxi spindle speed | : 6 300 [rpm] |
| - machine equipped with 28 numerical axes | |
| - slide unity 1.1 | : X and Z axes controlled by CNC |
| - slide unity 2.2 | : X and Z axes controlled by CNC |
| - slide unity 3.1 | : X and Z axes controlled by CNC |
| - slide unity 3.2 | : X and Z axes controlled by CNC |
| - slide unity 4.1 | : X and Z axes controlled by CNC |
| - slide unity 4.2 | : X and Z axes controlled by CNC |
| - slide unity 5.1 | : X and Z axes controlled by CNC |
| - slide unity 5.2 | : X and Z axes controlled by CNC |
| - slide unity 6.1 | : X and Z axes controlled by CNC |
| - slide unity 6.2 | : X and Z axes controlled by CNC |
| - synchronous unit, spindle position 6.1 | |

EQUIPMENT

- | | |
|---|-----------------|
| - INDEX C200-4 control (Siemens SINUMERIK 840D) | |
| - Simple NCU | |
| - IEMCA SIR MS32/33/P bar feeder | |
| - Coolant tank | : KNOLL AE 1076 |
| * with high-pressure pump | |
| - KNOLL VRF 500 chips conveyor | |
| - Parts catcher with conveyor in position 6 | |
