

BAUBLYS BL3000

Kind : Laser
Manufacturer : BAUBLYS
Model : BL3000
Year : 2015
Serial : 152094
Stock : 9741

The UV laser engraving machine is designed mainly for engraving plastic and glass easily. Furthermore, this machine can also engrave other materials such as metal and paper.

TECHNICAL DETAILS

- LASER	: UV
- Type	: UV
- Length of wave	: 355 [nm]
- Power	: 4 [W]
- Machine dimensions	: 1150 x 840 x 1750 [mm]
- Weight of the machine	: 450 [kg]
- Electrical power	: 1 [kW]
- Voltage	: 200 [V]
- Maxi engraving surface	: 135 x 135 [mm]

Kind : Laser
Manufacturer : BAUBLYS
Model : BL3000
Year : 2015
Serial : 152094
Stock : 9741

EQUIPMENT

- Windows 7 CNC control
- Rotary engraving unit
- Cooling unit for laser source
- Security cabin
- Smoke extracting unit
