

## ESSA RE 8

**Kind : Mechanical press**  
**Manufacturer : ESSA**  
**Model : RE 8**  
**Year : 1990**  
**Serial : 78006**  
**Stock : P1158**

### TECHNICAL DETAILS

|                                    |               |
|------------------------------------|---------------|
| - Pressure                         | : 4 [t]       |
| - Max. part diameter               | : 30 [mm]     |
| - Max. thickness                   | : 2 [mm]      |
| - Shocks per minute                | : 150 [H/min] |
| - Distance between mounts          | : 230 [mm]    |
| - Distance between table and slide | : 148 [mm]    |
| - Table diameter                   | : 220 [mm]    |
